

## GRAND ROAD 2020 CORTINA – MONZA – PORTOFINO

**MAY, 29<sup>TH</sup> – MAY, 31<sup>ST</sup> 2020**

MANTOVA, *January, 10<sup>th</sup> 2020* – On Tuesday 15<sup>th</sup> of January, the registrations for the much awaited 2<sup>nd</sup> edition of the Grand Road Italia (scheduled from May, 29<sup>th</sup> to May, 31<sup>st</sup> 2020) will open. The event is reserved to Supercars of all brands, built from 1991 until today.

Thirty years of experience in historic motoring with “Gran Premio Nuvolari” encouraged Mantova Corse to conceive and organize a new international appointment in the field of modern tourist regularity. After the 2019 success, the Grand Road is warming its engines for the spring season 2020.

If the scope is completely different, Mantova Corse's passion in developing car races has remained the same: the event aims to offer to competitors a lively challenge, with average speed tests and exciting passages from legendary circuits, such as the Autodromo of Monza.

The landscape component of the event will be impressive, too. The itinerary, starting from the glamour Cortina, will move along the Dolomites and the Ligurian Riviera, touching beautiful natural scenarios and emblematic locations of the “Bella Vita”, such as St. Moritz, Rapallo and Portofino. All this, in a framework of hotel and restaurant hospitality of the highest level.

Supercars drivers from all over the world are warned: no commitments for the last weekend of May!
